SCHEDULE OF CLASSES

to be offered in

The Undergraduate
Schools

Summer Session, 1966

THE SUMMER SESSION

The Summer Session is an integral part of the University year, with every academic department represented in the summer offerings. All courses are equivalent to those offered in the regular year in method, content, and credit and enforce the same prerequisites.

The courses offered in the two terms of The Summer Session are chosen from the broader offerings of the regular year to meet the need of the following:

1. Students enrolled during the regular year, and transferring students who wish to accelerate their progress toward degrees or pre-professional qualifications or to make up deficiencies.
2. Graduate students who find it necessary or desirable to use summer periods for study.
3. Teachers and school administrators who wish to complete degree requirements or to take particular courses to improve their professional standing.
4. Transient students pursuing degree work at other colleges or universities.
5. High school graduates who desire to begin their college careers at once in order to make course loads during their regular freshman year more nearly manageable.

For a partial list of the institutes, workshops, and other special events scheduled for the University campus during the 1966 Summer Session see pages 34 and 35.

ADMISSION TO THE UNIVERSITY

SUMMER SPECIAL STUDENTS

(Those enrolling for the Summer Session *only*)

A transient student (one who is regularly enrolled at another college or university and who wishes to enroll at Memphis State University *only* for the Summer Session) must clear the following requirements with the Dean of Admissions (Room 216, Administration Building) not later than May 10, 1966:

- (1) Submit an official *special student* Application for Admission form provided by the Dean of Admissions. If you have never attended Memphis State, a five dollar application fee must be submitted with the application. The application must include your social security number.
- (2) Have the registrar of the last college attended mail a statement of good standing to the Dean of Admissions; the statement should show whether you are classified as a freshman, sophomore, junior or senior.

After the transient student has completed the procedure outlined above, he will be sent a notice of his admission status by the Dean of Admissions. Those transient students who do not complete admission requirements in time to receive their registration materials via mail must present this notice of admission on Thursday, June 9 in order to obtain registration materials. See page 5.

NEW APPLICANTS

(Beginning freshmen and transfer students who plan to remain at Memphis State University beyond the Summer Session)

New applicants for admission to Memphis State University must clear the following requirements with the Dean of Admissions, Room 216, Administration Building, no later than May 10, 1966:

- (1) Submit an official *regular student* Application for Admission form provided by the Dean of Admissions. A five dollar application fee must be submitted with the application. The application must include your social security number.
- (1) Submit a satisfactory transcript of credits.
 - a. A beginning freshman must request his high school principal to *mail* a transcript of his credits to the Dean of Admissions.
 - b. A transfer student must request the registrar of each college attended to *mail* a transcript of credits to the Dean of Admissions.

(IMPORTANT: Transcripts will not be accepted from students; they must be *mailed* by the officials indicated above.)
- (3) Pass successfully the required entrance examination. (Information concerning the examination is available from the Dean of Admissions and in the Catalog issue of the Bulletin.)
- (4) Submit the required Health Service Record Card.

After the new applicant has completed the procedure outlined above, he will be sent a notice of admission status by the Dean of Admissions. Those new students who do not complete admission requirements in time to receive their registration materials via mail must present this notice of admission on Thursday, June 9 in order to obtain registration materials. See page —.

FORMER STUDENTS

A former student is defined as a student who (1) has previously been enrolled in Memphis State but (2) was not enrolled during the Spring Semester. In order to gain readmission for the Summer Session, former students must take the following steps:

- (1) Obtain from the Office of Admissions and Records an application for readmission. Complete this application and return it to the Office of Admissions and Records.
- (2) Request the registrar of each college attended, if any, to mail an official transcript of credits to the Office of Admissions and Records.

After the former student has completed the above procedure, he will be sent a notice of his readmission status by the Office of Admissions and Records. Those former students who do not complete admission requirements in time to receive their registration materials via mail must present this notice of readmission on Thursday, June 9 in order to obtain registration materials. See page 5.

REGISTRATION INFORMATION

BEGINNING FRESHMEN AND TRANSFER STUDENTS

Beginning freshmen and transfer students (including transient students) will receive their registration materials by mail *PROVIDED THEY HAVE COMPLETED ADMISSION REQUIREMENTS BY SATURDAY, MAY 14, 1966*. Students completing admission requirements after that date will pick up their packets on Thursday, June 9, 1966.

Orientation for beginning freshmen and transfer students will be held at 7:30 A.M. on Thursday, June 9, in the University Auditorium. Immediately following orientation, students will be directed to advisory sessions conducted by the school in which they intend to major.

After advisory sessions, students having received their registration materials in the mail will be free to register according to the alphabetical schedule outlined on page 2. Students not having received packets will report to Jones Hall to obtain registration materials.

Students majoring in a department in *THE SCHOOL OF ARTS AND SCIENCES* will remain in the Auditorium of the Administration Building.

Students majoring in a department in *THE SCHOOL OF BUSINESS ADMINISTRATION* will report to the Auditorium of the School of Business Administration Building.

Students majoring in a department in *THE SCHOOL OF EDUCATION* will report to the Auditorium of the School of Education Building.

Students majoring in a department in *THE SCHOOL OF ENGINEERING* will report to Room 209 in the School of Education Building.

Students majoring in the *DEPARTMENT OF INDUSTRIAL TECHNOLOGY* will report to Room 122 of the Industrial Technology Building.

CURRENT STUDENTS

Current students do not have to notify the Records Office of their intention to re-enroll in the summer. Packets will be prepared and mailed to all students enrolled during the Spring Semester—with the exception of students having outstanding financial obligations, who will not be able to obtain packets till Thursday, June 9 at 9:30 A.M. Current students not planning to attend the summer session should destroy their packets.

DO NOT DESTROY THE PACKETS UNTIL YOU ARE ABSOLUTELY SURE OF YOUR PLANS.

FORMER STUDENTS

A former student is defined as a student who (1) has previously been enrolled in Memphis State but (2) was not enrolled during the Spring Semester. Registration packets will be prepared and mailed to all students who complete readmission requirements BY SATURDAY, MAY 14, 1966. Students completing readmission requirements after this date will not be able to pick up registration materials till the date they are scheduled to register. See page 5.

EVENING DIVISION STUDENTS

Orientation for new students in the Evening Division will be held on Thursday, June 9, 1966, at 5:00 P.M. in the University Auditorium. New students who have not received their registration materials in the mail will obtain these materials in Jones Hall immediately following orientation.

GRADUATING SENIORS

Seniors who are scheduled to receive degrees at the August commencement are privileged to register at an early registration period (See Registration Calendars, Page 2). They must obtain special permit cards from the Dean of the school from which they are to be graduated by presenting their alphabetical registration permit card.

REGISTRATION PROCEDURES

Only the general steps in the registration procedure are presented here. More specific instructions will be presented in instruction sheets which will be available at the time of registration and when registration materials are secured. The registration procedure consists of three basic steps:

- (1) Secure registration packet.
- (2) Confer with faculty adviser to secure his guidance and approval in planning your schedule.
- (3) Enter the Registration Center at the appointed time (as outlined on Page 2 of this schedule) to secure class cards and pay fees.

REGISTRATION FEES

For residents of Tennessee: \$7.50 per semester hour OR \$55.00 for the complete two term session

For non-residents of Tennessee: \$15.00 per semester hour OR \$110.00 for the complete two term session

IMPORTANT NOTE: The student must indicate his choice of payment plan at the time of his initial summer session registration. He may not shift from one plan to the other after his initial registration. The \$55.00 (or \$110.00) fee entitles him to register for a maximum of 14 semester hours in two terms: **NO PART OF THIS FEE IS RETURNABLE** (unless the student withdraws from the University within the refundable period). If he registers for less than the maximum number of hours, or if he attends for only one term, no part of the \$55.00 (or \$110.00) payment will be refunded. If he wishes to register for only one term or for less than 8 semester hours for two terms, it will, of course, be to his advantage to pay at the rate of \$7.50 (or \$15.00) per semester hour.

EXPLANATION OF SELECTED PROCEDURES

REGISTRATION MATERIALS

Registration packets will be mailed to all students currently enrolled in the University and to all new and former students **WHO COMPLETE ADMISSION REQUIREMENTS BY SATURDAY, MAY 14, 1966**. New and former students completing admission requirements after that date, will not be able to pick up materials until Thursday, June 9. Registration packets will be mailed out in groups throughout the first part of May.

IMPORTANT: Each student will receive two complete packets. One of these is to be used the first term and one for the second term. Please use the correct registration permit (adviser's) card. Take good care of the second packet so that you will have it available for use during the second term. If you do not return for the second term, destroy the packet—but only after you are sure that you will not return for the second term.

CURRENT STUDENTS NOT PLANNING TO ENROLL FOR THE SUMMER SESSION, MAY DESTROY BOTH PACKETS. DO NOT DESTROY THE PACKETS UNTIL YOUR SUMMER PLANS ARE ABSOLUTELY FINAL.

CHANGE OF COURSE

After a student's registration is complete, he may, within specified time limits outlined

above, change his class schedule through the process of adding and/or dropping courses. THE PROCESS OF CHANGING A COURSE BEGINS IN THE OFFICE OF YOUR ADVISER.

	First Term	Second Term
No course may be added after	June 15, Wednesday	July 21, Thursday
No course may be dropped after	June 17, Friday	July 25, Monday
No two-term course may be dropped after	June 24, Friday	

Change in Section: It is sometimes necessary for a student to request a change of a course from one section to another section. Such changes will be allowed only under unusual circumstances. The procedure involves dropping one section and adding another; it must be done within the time limits noted above and **MUST BE APPROVED BY THE CHAIRMAN OF THE DEPARTMENT CONCERNED.**

CHANGE OF COURSE FEE

A fee of \$3.00 will be assessed for each course which is added or dropped. The fee will be assessed on the number of course changes and not on the number of change of course applications. (For example, if a student initiates a single change of course application involving any combination of adds and drops for three different courses, the fee would be \$9.00.)

If a student initiates a change of course application involving two different sections of the same course, the fee will be \$3.00. (For example, the fee charged for dropping Section 2 and Adding Section 3 of History 1301 would be \$3.00.) Payment of the fee will be made to the Office of the Business Manager at the time the approved change of course application is presented there. **NO CHANGE OF COURSE IS PROCESSED UNTIL THE FEE HAS BEEN PAID.**

CHANGE OF SCHOOL

Students desiring to change the school in which they are enrolled may do so during a limited time period. **NO CHANGE OF SCHOOL IS PERMITTED BEFORE THE END OF THE DROP PERIOD DURING THE FIRST TERM NOR DURING THE PERIOD ONE MONTH BEFORE THE END OF THE SUMMER SESSION.** Changes of school made during the Summer Session will not become effective till the Fall Semester (i.e., a change of school requested during the first term of the Summer Session would not be changed on the student's IBM record in time for the second term of the Session; the change would be made in time for the Fall Semester, however). To change schools, students should go first to the office of the Dean of the school in which they are currently enrolled and obtain the application. Instructions for accomplishing the change of school are printed on the application.

WITHDRAWAL

A student may withdraw from the University by notifying Dean R. M. Robison in person or in writing. Failure to notify Dean Robison of withdrawal will result in a grade of "F" for each course in which the student is registered.

Students who withdraw before { July 25, Monday (second term) }
 { June 17, Friday (first term) } will
 have their records marked "BW" (withdrawn before end of drop period).

Students who withdraw after the above two dates will have each of their courses recorded as "PW" or "FW" (withdrawn passing or withdrawn failing) depending upon their performance at the time of withdrawal.

NO WITHDRAWAL IS PERMITTED WITHIN ONE WEEK OF THE EXAMINATION PERIOD.

Last day to withdraw, First Term	July 7, Thursday
Last day to withdraw, Second Term	August 11, Thursday

ADVISERS

At the time of registration each student at Memphis State University is assigned to a faculty member who will serve as his academic adviser. This adviser is a member of the department in which the student is majoring; for this reason it is necessary that every student be prepared to name a major area at the time he registers. Such choices are not permanent or binding. The student may change his major area at any time during his college career with a minimum of administrative procedure.

A. Current and former students will report to the faculty members who have advised them in the past. If any change in advisers is necessary or desired, application must be made to the chairman of the department concerned.

B. *Beginning freshmen, transfer students, and transient students* will receive instructions about advisers during the orientation sessions.

PRE-PROFESSIONAL STUDENTS: In certain areas the University has established committees composed of faculty members from various schools and departments for the purpose of advising students interested in preparing for professional careers. Such students should report at their scheduled time to these committees in the rooms indicated:

PRE-MEDICAL ADVISORY COMMITTEE (Dr. Elmore Holmes, Chairman): Room 120, Manning Hall.

This committee will advise students interested in careers in medicine, dentistry, pharmacy, nursing, medical technology, veterinary medicine, optometry, and related fields.

PRE-LAW ADVISORY COMMITTEE (Dr. Edwin C. Buell, Chairman): Room 411, Business Administration Building.

PRE-SOCIAL WORK ADVISER: Mr. Charles Henderson, Assistant Professor of Sociology, Room 131, Humanities Building.

FINAL EXAMINATIONS

During the Summer Session final examinations are given on the day indicated in the calendar at the regularly scheduled meeting of the class. Each examination, thus, is ninety minutes in length and attendance is compulsory. Absence from a final examination without the permission of the instructor incurs a mark of "F".

GRADE REPORTS

Reports of grades for the Summer Session are not mailed out until the entire Summer Session is over. The grade report which you will receive at the end of the summer includes grades earned during both terms of the Summer Session.

EXPLANATION OF ABBREVIATIONS

The location of each class is indicated in this Schedule by the use of an abbreviation for the name of a building, plus a room number; for example, OHJ101 means that the class meets in Room 101 of O.
